

ACM 808/BA/WH – 4 Head Induction Hob with FlexiCook

Features

- Number of zones: 4
- 7 Power levels
- FlexiCook
- Booster function
- Touch control
- 4 Sides bevelled design
- Eco booster
- Schott Ceran® Glass
- Main on / off switch
- Power on indicator
- Anti-spill sensor
- Pot indicator
- Residual heat indicator
- Timer
- Independent timer for each zone
- Child lock
- Colour: White
- Country of origin: Italy

Technical Information

- Total power (maximum): 7200W
- Cooking zones output / diameter:

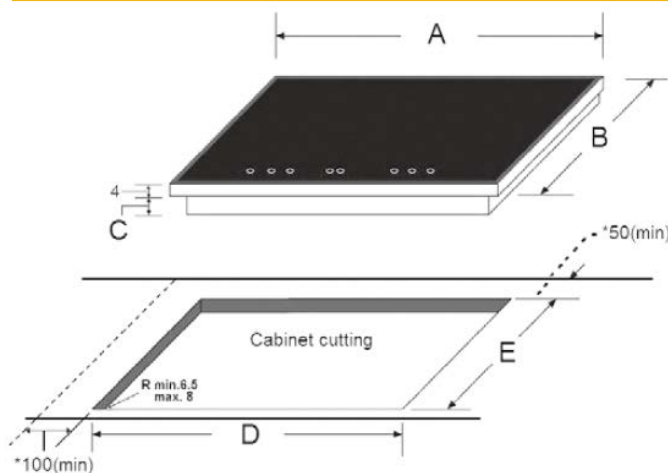

Zones	Power (W)	Power with booster (W)	Diameter (mm)
Front left	1200	1800	145
Rear left	2200	3200	210
Central	1800	2200	180H x 230W
Right	1800	2200	180H x 230W

** Flexi area: 380H x 230W

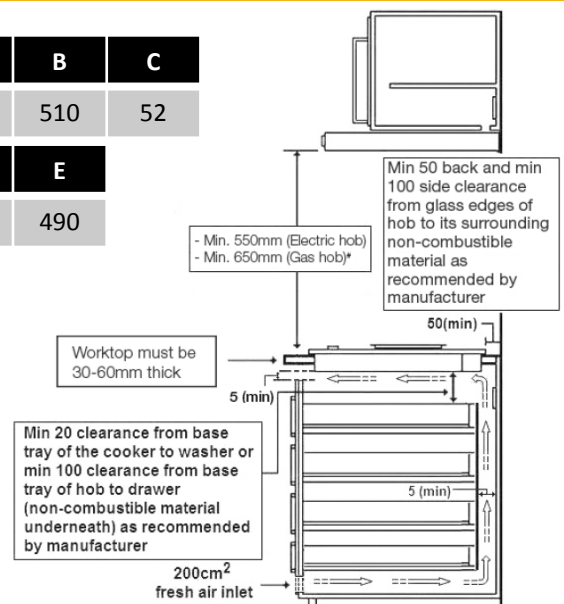

- Spur unit: 32A
- Length of power cord: 1000mm
- Product Dimensions (mm): 56H x 580W x 510D
- Cut Out Dimensions (mm): 560W x 490D

Installation Diagram

A	B	C
580	510	52
D	E	
560	490	

Design work with single phase or three phase electrical supply.
